Attachments: 20130830_preamble gate plan.pdf; 20130830_preamble gate elev..pdf

Hi Jody,

Here is another item we would like to discuss at the next City Council meeting. Attached is a monument we would like to put on the new access road right by the Ranch Knoll. The site is indicated on the attached map. The gate you see on the attached rendering, we would like to have welded open.

In advance, thank you.
