Be it Ordained by the City of Woodland Hills;

The City hereby adopts the American Public Works Association Manual of Standard Plans and Manual of Standard Specifications for Construction for use in City Public Infrastructure as applicable.

Enforcement

The City of Woodland Hills City Engineer or City Public Works Director or a designee shall enforce the APWA Standard Specifications. Penalty

Any person, firm or corporation who violates any provision of the APWA Standard Specifications shall be deemed guilty of a Class C misdemeanor.

This ordinance shall become effective immediately upon adoption by the City Council and the posting of the ordinance in three public places within the City.
