

CITIZEN SURVEY

As part of the process to writing this general plan the Planning Commission conducted an on-line survey of residents. The purpose of the survey was to seek public input to the general plan.

The survey contained 41 questions on various topics. The Planning Commission received 133 responses. The survey was available from March thru June 2015.

The results of the survey are shown below. The full survey as well as written feedback are available from the Planning Commission upon request.
