Annual Fire Safety Expo, April 24th –

A major wildfire in the City would be huge excitement of the wrong kind! You will get plenty of good excitement at the annual Fire Safety Expo on Saturday, April 24th, 10am, at the fire station. The City Council and the Fire Department have invited you and the whole family to participate in this year's event. You will learn about brush fire safety, the associated City guidance, and brush removal advice. You will also have the opportunity to learn about the great capabilities of our fire and medical personnel and their equipment. There will be live (and perhaps wet) demonstrations of the "monitors" (water cannons), air breathing gear, and our amazing array of medical response equipment. Sign up to receive the reverse 911 telephone announcements, a special tour of the fire house, and a courtesy fire safety visit for your yard. Come and meet

our team, ask questions, see the great equipment. It's free! The kids will have fun too.

Invitation to Woodland Hills Wine Club –

The Woodland Hills Wine Club is still going strong after six years. The group of residents meets once a month for wine tastings and friendly conversation in members' homes. The group also attends wine pairing at different restaurants within the valley. You do not have to be a wine drinker as several members enjoy other adult beverages. Please email TobyLk@q.com or call Toby at 801-830-3809 if you would like to be included in upcoming events and emails.

Utah County Fair – The Fairest of Them All –

With a variety of new events for all ages as well as the long list of traditional favorites, this year's Utah County Fair is sure to live up to its 2010 theme: The Fairest of Them All. The more than 35,000 people attending last year's fair enjoyed popular attractions such as the Demolition Derby, horse shows, the Junior Livestock Show, vendor booths, the Equipment Rodeo and the carnival. Crowds this year won't be disappointed as all these events return to the Spanish Fork Fairgrounds Aug. 18-21 for the 2010 fair. New attractions; however, will make the fair even more exciting. A new Teen Center is in design mode with a variety of activities and exhibits planned such as texting competitions. A giant Pinewood Derby will be held and a variety of other contests conducted game show style will pit residents of different cities against each other with bragging rights at stake. Of course, all these activities wouldn't be possible without

the hundreds of volunteers that assist at the fair each year. Events of all kinds need the support of volunteers as well as corporate sponsorship. Vendors are also currently being sought to set up shop at the fair. For more information about becoming a volunteer or a corporate sponsor of the fair, send an e-mail to jfharmer@gmail.com. To become a fair vendor, send an e-mail to littlebeecraft@gmail.com. More information can also be obtained at www.utahcountyfair.com.
