

March 2011

CITY OF WOODLAND HILLS, UTAH

Woodland Hills News

City Council Actions

- The City Council voted unanimously to rezone the former Woodland Heights development to R1-40.
- Preliminary report on development of the city's strategic plan presented by professors Hart and Facer and graduate student, Jared Floyd.

Woodland Hills Will Be Changing

For several months a team of experts at BYU has been working on the development of a plan for the future of Woodland Hills. Professors Hart and Facer and graduate student, Jared Floyd, have analyzed the city's financial history. The next step in their analysis is critical and it depends on your input. They need to know what you want the future of the city to be like. You need to know what is feasible and what it will cost. To get started, you are strongly encouraged to fill out the online survey found at:

https://byu.qualtrics.com/SE/?SID=SV_e4fyzLE8wVb0UTi

The survey is short and simple, but critical to getting something useful out of the strategic plan. Every property owner needs to respond.

On Thursday, the 24th of March, at 7:00 PM there will be a town hall meeting devoted to a discussion of the city's plan for the future. Professors Hart and Facer will be there and they will be depending on you to speak up and share your ideas. It is important that you be at this meeting. Bring a neighbor with you. As a special incentive, refreshments will be served.

Avalanche Danger is High

As of Monday, the 28th of February, the Utah Avalanche Center was reporting a high avalanche risk. We have seen the destructive force of an avalanche in Woodland Hills. At this time of heightened risk, you are asked to avoid venturing unnecessarily into the following areas: the vicinity of the city water tank, Deep Forest Road and upper Broadhollow Road. For updated avalanche data, go to the Utah Avalanche Center website at: <http://utahavalanchecenter.org/services>

March Happenings

- *City Council Meeting, Wednesday, 9 March, 7 pm*
- *Community Wildfire Protection Plan Meeting, Thursday, 10 March, 7 pm*
- *City Council Meeting, Wednesday, 23 March, 7 pm*
- *Town Hall meeting, Thursday, 24 March, 7 pm*
- *Planning Commission, Thursday, 24 March, 7 pm*

Send News Articles To:

news@woodlandhills.cc

Deadline for submitting articles for the Woodland Hills newsletter is the 20th of each month.

The following article was taken from the official Yeti website found at:

<http://www.xaxdesign.com/YETI/YETI.html>

The YETI

Nestled at the foot of Loafer Mountain is a community comprised of anything but loafers. People living here enjoy all the extremes of life, from the extreme peace of the quiet wooded mountain to the extreme levels of snowfall ([over 150" per year](#)) and wildlife including bear, deer, elk, coyotes, fox, wild turkeys and an occasional cougar.

Your race starts at the base of this mountain. Whether running, or biking, your path will elevate quickly (1100-1300 foot gain). Then you will trade for snowshoes, and follow the switchbacks cut into the mountain by an old prospector named Shocky, complete with an authentic mine shaft. You will traverse Loafer Mountain (gaining another 1110 feet), ending about 1/4 of the way up the mountain with Utah Valley laid out before you. As you experience the breathtaking views (literally), you'll quickly find out why we're the best kept secret in the Valley.

We hope you'll join us. Your registration fee includes a couple of things to remember the day - an original (and soon to be coveted) Yeti T-shirt and a car sticker. Awards will be given to the top Yeti finishers.

All proceeds will go to the Woodland Hills Fire department.

Registration options:

1. <http://www.active.com/more-sports/woodland-hills-ut/woodland-hills-yeti-2011?int=29-6#Summary>
2. Woodland Hills City Offices
690 South Woodland Hills Drive
Mon.-Fri. 9 am - noon until 3/24
3. Race day - 7:45 am at the Woodland Hills pavilion

Packet pick up, 8:15 am race day at the Woodland Hills pavilion, (approx. 1185 S. Loafer), Woodland Hills, UT 84653

Still have questions? Call 801-671-2350

Sheriff's Blotter — by Deputy Butters

From 01/15/11 to 02/15/11 Utah County Sheriff's Deputies responded to 14 calls for service in the city of Woodland Hills.

These calls included:

- 2 Abandoned 911 calls
- 2 Alarms
- 2 Suspicious
- 2 Medicals
- 1 Motorist Assist

- 1 Agency Assist
- 1 Civil Problem

Please continue to call and report all suspicious activity and crimes to Utah Valley Dispatch at 801-851-4100. For Emergencies please dial 911.

Central Utah Gardens' 2011 gardening classes are about to begin! Classes are free of cost. Class instructors are university, industry, and waterwise landscaping experts! This year we are featuring class series.

Landscape Design Series:

Landscape Design Workshop
 The Best Perennials for your Design

Food Production Series:

Enrich Your Soil
 Vegetable Gardening with Larry Sagers
 Fruit Trees & Berries

Yard Care Series:

Installing a Sprinkler System
 Tips for a Weed-Free Yard
 Controlling Garden Pests
 The Best Lawn on the Block (with less water)
 Low-Maintenance Yards

To view class dates, times, instructors, and registration information, please visit our website:

www.centralutahgardens.org

Please note that registration for each class opens exactly one month prior to the date of the class.

CWPP Update

During our last CWPP meeting we were able to complete the last portion of the Community Wildfire Protection Plan. On the next meeting (March 10th) we will review and sign the document, which will complete the first step in making Woodland Hills a Fire wise Community and a "Safer Place to Live". The next step will be laying out a timeline as to when the next steps will be started. One of these will be the chipper days. I would like to thank all the residents that have made this possible.

**Household Hazardous Waste
 Collection Day**

For Residents of Utah County

**Household
 only - no
 commercial
 waste**

Saturday, April 9, 2011 -- 9 am to 3 pm
 Orem Public Works Facility
 1450 West 550 North, Orem
